Date: January 7, 2009

FOR IMMEDIATE RELEASE

Local Woman running in 2009 Walt Disney World Marathon to raise funds for the Dr. H. Bliss Murphy Cancer Care Foundation

St. John's, NL: This coming Sunday, January 11, 2009, Julie Butler of St. John's will participate in the 26.2 mile 2009 Walt Disney World Marathon in Orlando Florida in memory of her mother who lost her eight year battle with cancer in 1997. Julie has been soliciting donations from family, friends and the general public to sponsor her in order to raise funds for the Dr. H. Bliss Murphy Cancer Care Foundation.

"I have chosen to use this Marathon as a way to raise funding for the Dr. H. Bliss Murphy Cancer Care Foundation" said Julie Butler. "Since I began training back in September, so many more lives have been touched by cancer and I hope that this might bring some comfort that there are people out there who want to make the lives of those dealing with this disease a little more bearable. I know that my mom will be with me on the day of the race, pushing me forward, encouraging me to complete this goal and is somewhere very proud of what I've set out to achieve in her memory. I would like to deliver my donations to the Cancer Care Foundation once I return from Florida and want to encourage once again that you please donate to such a worthwhile cause."

"We are excited to be partnering with Julie on her journey in the 2009 Walt Disney World Marathon," said Jennifer Yetman, Development Officer at the Dr. H. Bliss Murphy Cancer Care Foundation. "We greatly appreciate Julie's support of the Cancer Care Foundation and it is truly a remarkable way to remember her mother in such a way as to complete such a life long goal while helping cancer patients throughout Newfoundland and Labrador."

To make a donation in support of Julie's run please visit her website at <http://web.me.com/juliebutler2>

The Dr. H. Bliss Murphy Cancer Care Foundation raises funds in support of cancer treatment and patient support programs in Newfoundland and Labrador. All gifts remain in our province to help patients right here at home. I am asking that my friends and family donate in any way they can as donor support is vital to enhance the Foundation's efforts in supporting Newfoundlanders and Labradorians dealing with cancer.
