AMC Brokerage Limited raises over \$52,000 for Cancer Care Foundation

St. John's, NL: AMC Brokerage Limited held their fourth annual Golf Tournament on July 23th, raising over \$52,000 for the Dr. H. Bliss Murphy Cancer Care Foundation.

“At AMC Brokerage we are thrilled with the success of our fourth annual golf tournament, in memory of Derrick Newhook. This is a cause very close to our hearts and we are grateful to all of our corporate partners, brokers and local businesses that participated. We would especially like to thank our Platinum Sponsor of this years’ tournament, Manulife Financial and Gold Sponsors Sun Life Financial and Empire Life for their tremendous support of this event once again this year. We continue to be overwhelmed with the level of participation from our sponsors and clients and we look forward to our next tournament in 2010”, says Keith Newhook, President and CEO of AMC Brokerage Limited. Keith went on to add that it takes a dedicated team of committee members and volunteers to make this event a success, and that we he was grateful for the hard work of everyone involved.

Eric Jerrett, Chairman of the Dr. H. Bliss Murphy Cancer Care Foundation is similarly grateful. He says “I have no doubt that this group can easily meet their personal and corporate goal of \$250,000-their commitment is remarkable. As of today-you have surpassed \$200,000”. This one day event is making long term impact for our cancer patients and their families, and this year, the proceeds will be used to purchase much-needed equipment for our ENT clinics.

This year alone, over 22,000 patients were seen or treated at Cancer Centres throughout Newfoundland and Labrador. On behalf of these patients and volunteers, we thank all those involved for their hard work and generosity”

The Dr. H. Bliss Murphy Cancer Care Foundation raises funds to enhance treatment and supportive care programs for cancer patients, fund local cancer research initiatives and provide continuing education opportunities for staff of the Dr. H. Bliss Murphy Cancer Centre and affiliated cancer programs in Newfoundland and Labrador.
